

**STATEMENT OF CANDIDATE FOR
PLACER COUNTY SUPERVISOR, DISTRICT 1**

Name: BONNIE GORE

Age:

Occupation: Placer County Supervisor

Education and Qualifications:

Protecting the quality of life for residents in Placer County determines my priorities. My #1 priority is keeping families safe and healthy. We have increased funding for law enforcement and fire service to help protect our community. We have invested in our parks and increased trails and open space.

During the pandemic, I fought to protect the livelihood of our residents. Keeping businesses afloat and workers employed was paramount to the well-being of our community. My fellow Supervisors and I directed \$16 million to local businesses and non-profits, resulting in one of the lowest unemployment rates in California.

Placer County is fiscally strong and I have worked to ensure balanced budgets while increasing reserves and planning for future needs.

Our region is poised for strong economic growth. I am committed to partnering with the new businesses and universities which are investing here. However, we still have challenges. I will continue to work with my colleagues in local jurisdictions on transportation, homelessness and affordable housing.

I will always be accessible to you because we cannot resolve issues without input from residents, businesses and non-profits.

It has been my honor to represent you and I would appreciate your vote.
