**STATEMENT OF CANDIDATE FOR
ROSEVILLE CITY SCHOOL DISTRICT**

Name: ROB BAQUERA

Age: 42

Occupation: School Board Member/Parent/Police Public Affairs Manager

Education and Qualifications:

I serve on the Roseville City School District Board of Education and I'm a parent of three amazing girls in TK, third, and fifth grade. I'm running for re-election for three reasons:

Students over politics - the past few years have been hard on society, our community, and our kids. On the RCSD Board, we worked hard to navigate the challenges of the ever changing environment. With every decision, I put kids at the center of my vote. One success, for the 21-22 school year, our students had the most in-class instructional hours of any local district.

School safety - when students feel safe at school, it creates a positive learning environment. I work for the City of Roseville Police Department where I manage Public Affairs. I'm an emergency manager, crisis communicator, and crime prevention specialist. School safety will always be my top priority. In our recently adopted budget, \$2 million was allocated to support school safety enhancements.

Academic success - as a parent, I recognize each child is unique and learning approaches are diverse. As your board member, I will champion all RCSD students, teachers, and staff. My hope is to see our kids learn in distinctive ways that help them achieve their definition of academic success.
