

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: KEVIN KILEY

Age: 37

Occupation: California Assembly Representative

Education and Qualifications:

Congress and the Biden Administration have failed the American people. Their reckless spending and policies have caused record inflation and harmed our economy.

I'm running for Congress to stop the wasteful spending, defend our Constitution, protect our freedoms and make our government accountable to the people. As your Representative I will work to cut debt; secure the border; reduce taxes; hold criminals accountable and put parents in charge of their child's education.

I know how to get things done. I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims. I passed significant school choice legislation. I co-sponsored bills to increase fire protection and manage our forests.

I'm a reformer who declined a pay raise granted to Legislators and I decline \$40,000 annually in extra income other lawmakers collect. I introduced the bill to end special perks for politicians.

My experience includes serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; and prosecuting a Chinese company for intellectual property theft. I am endorsed by over 50 fiscally conservative local elected officials — they know my record.

I grew up in this district. It's my home. And as your Representative I will fight to protect our quality of life. I'll never give up the fight for the founding principles that make America the greatest country in the world — freedom, justice, individual responsibility and a limited government that truly represents the people.

I'd be honored to receive your vote. Thank you.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

Name: KERMIT JONES

Age: 46

Occupation: Internal Medicine Physician

Education and Qualifications:

I'm a doctor and Navy veteran.

I learned the value of hard work and personal responsibility on my family's farm. Those same values led me to join the U.S. Navy after 9/11 and I deployed to Iraq as a combat surgeon with the Marines. When I came home, I served as a White House fellow working to improve healthcare for our veterans, before I returned to California to work as a doctor.

For me, it's never been about politics, it's about keeping the oaths I made to my patients and our country. But I have watched the rising cost of living and devastating forest fires make life unaffordable and uncertain for too many Californians, all while career politicians in Washington and Sacramento play politics and put themselves and their party first.

In Congress, I will take a new oath — to bring service-oriented leadership to Washington. It will be my priority to tackle inflation and the rising cost of living. As a doctor who has treated over 20,000 patients, I will protect every woman's right to her own medical decisions, work every day to lower the cost of healthcare, and protect Medicare and social security for all Americans.

I am ready to stand up to both parties when they are wrong, whether it's Democrats who want to defund the police, or Republicans who would criminalize abortions nationwide and defend those who attacked our country on January 6th. Visit kermitjonesforcongress.com for more.
